### RECENT TESTIMONIALS OF PREVIOUSLY FRUSTRATED MARKETERS LIKE YOURSELF!

*I ONLY USE THE VERETEKK SYSTEM to generate business builders who want to work the Internet ...PERIOD!!! WHY you might ask? Well, for 1/10th the cost of other lead sources the leads I get from the Inetekk Portals are BY FAR the freshest most receptive Internet leads I have ever found. When my organization uses Veretek leads to contact invariably "THAT EVENING" I hear almost everyone say "WOW STEVE THESE ARE THE BEST LEADS I HAVE EVER CALLED!!!" Need I say more???* THANKS TOM AND MIKE for ALL YOUR ONGOING SUPPORT AND SITE DEVELOPMENTS --- I'M YOUR BIGGEST FAN AND HOPEFULLY ONE OF YOUR BEST AND FAVORITE CUSTOMERS!!!!

*All I can say is WOW! Inetekk has built the most powerful Lead, Marketing and Recruiting system on the Internet! And this is why. Shortly after re-subscribing to Veretek I joined a new opportunity. After being in this new business for about 2 weeks the CEO of that company contacted me and wanted to know what the heck I was doing to put so many people into my business so quickly. In a word, I told him Veretek. Veretek's system has quickly built me hundreds of the best quality premium leads in a matter of weeks and it is these leads that have all joined my business. Tom has over delivered again as usual. Tom is a good man and I am glad to be back with Veretek!*

*This Veretek System is Light Years ahead of any other Marketing System on the Internet. Not only is Veretek producing a lot of Leads, but they are extremely High Quality Leads. I've never seen anything like it. This week after I made some submissions, I had 3 CEO's of companies personally call me who are seriously interested in our tools and services. They called me first, before I even had a chance to contact them.*

*This new VERETRaining is great! I know Veretek and Veremail are the most advanced marketing lead systems on the Internet and with the new live training I have easily learned how to use it effectively and easily. Tom is always available and that has made the difference in my learning curve. At first Veretek looked pretty complicated but with this new live training I realize how easy and powerful this Veretek system is!!! Bravo Tom, some say you are miles ahead of all the others, I say, "You are light years ahead!"*
